Electric Bill A bill of £3193.33 has now been received. All enquiries with EDF have been resolved and this large sum relates to the fact that there were no bills or payments during 07/08 An amount generated during the dispute of £1400.35 is to be paid over six months at £237. The remaining balance is due now. LP to action

Kitchen Jan will speak to Steve Fearn re. supplying some units. However as what we require is a total refit Clare suggested getting an all inclusive quote from Percy. JFT to action. Mary Head has kindly donated a piece of lino but we think that what we require is an anti- slip floor covering TB will talk to Steve Bayliss re. this matter.

Gents Toilet Bill Langler has quoted Approx. £200 to re-box the water pipes and supply and fit a new stop cock. LP will give the go ahead for this work.
