

Minutes for Village Hall Management Committee

January 11th 2010

Present: Pam, Tony, Jan, Judy and Luke

Apologies from Freda

Matters Arising: Pam has received a reply from Dennis Smith stating that if we delay much longer in applying for grant we run the risk of losing it. Pam, therefore has posted our application of £1000 towards the cost of re-fitting the kitchen based on an approximate total cost of £3000.

We now have drawn plans in place kindly provided by Steve Fearn. Units will cost approx. £1045 obviously there will be installation and plumbing costs to add to this. L.P. to contact Dermott Ivey with a view to quoting for this work and also to replace front doors.

Gents toilet: L.P. provided a quote to the insurance company as requested on enquiring to its progress he was informed that they required another! This will be faxed tomorrow.(Quotes £3000 and £2600) Both quotes cover all required work and re-decoration. Our excess is £100.

Hall Insurance: A letter has been received from the Parish Council re. insurance reimbursement. They have agreed to contribute just half of the cost this year £410 rather than the full amount. They also had a few queries about lights and heaters. These have in fact all been addressed and so P.H. will respond accordingly.

Fire Safety: Quotes will be obtained for a mains smoke fire detection system from Tim Rice, Darts fire and one other. This has been advised by the fire safety officer.

Table Tennis Table: P.H. will post a message in the village diary, a last attempt at trying to find the owner if no response is received we will make arrangements to remove it from the hall. At the same time a note will be made reminding people that we have a lovely snooker table for use.

Next meeting Feb. 15th, the hall has been booked.
