

Village Hall Management Committee 19.04.10

Present: Pam, Jan, Tony, Freda, Luke, Judy

No apologies.

Matters Arising

Permission was obtained from the Trustees for the following.. kitchen costs, units £935.18 and labour and re-decoration £1000. The work was completed over the Easter break. P.H. has informed MM Construction that their bid was unsuccessful.

CarpetRight have quoted £465.07 for the flooring ( new lino will be laid on a new hardboard base ) This is cheaper than our Carpetwise quote of £665.05. This price includes a discount and after further discussions with P.H. £450 was agreed! They will contact JFT in the week to arrange a time.

Gents: we still need to look at changing the overflow pipe.

Fire Detection: P.H. e-mailed J.G. to see if a decision has been made on us arranging for this work to go ahead as all quotes are now in. A reply was not received in time for this evenings meeting.

Front Doors: No bill received to date. L.P. will replace the letter box to wall and will look into an actual letter box in the door with a lockable basket.

Combinteignhead Village Hall will give us a small donation for the unused table tennis table.

May Fayre: We have had a favourable response to our application obviously amount unspecified until after the event.

P.H. has completed and sent the Project Monitoring Form re. the grant received for the kitchen.

Parish Meeting: P.H. gave an off the cuff report at this meeting and also had the opportunity to express our dismay and concern about the reduction in their contribution to our insurance costs. We aim to write again to the Parish Council in the Autumn to ask them to re-consider their decision for next year.

Jan asked for confirmation of chair and table hire costs. L.P. confirmed that this was a donation of £10 upwards and that furniture should be returned clean.

Next meeting 17<sup>th</sup> May 7.30
